Catering Policies and Information

Reservation Policy . . .

All events require a deposit equal to the rental fee and due at the time of booking to secure your date. After your event, you will receive a statement for the balance of your event. Should you have to cancel your event, you will forfeit your booking deposit. Cancellations within two weeks of the date may result in billing for costs already incurred on your behalf.

Menu and Selection . . .

Final menu selections are due **two weeks** in advance of your event and the guaranteed number of guests is due **five business days** prior. If multiple entrée choices are selected, we ask that you provide an entrée indicator and the guaranteed number of each selection to help insure that your guests are served their selected choice. Our catering team is happy to accommodate any special dietary requests with **five business days** notice. We will also make every effort to accommodate meal substitution requests made during the event in as timely a manner as possible (additional charges will apply.)

Food and Beverage . . .

All food and beverage (with the exception of specialty desserts and wedding cakes) must be purchased through and served by the WUC staff. King County Health Department and insurance regulations stipulate any remaining food items from a catered function cannot be removed from the premises. This policy applies to all perishable food, including entrées for guaranteed guests unable to attend.

Alcohol . . .

The service and sale of alcoholic beverages is regulated by the Washington State Liquor Control Board. As a licensee, the WUC is responsible for administration of these regulations, therefore liquor may not be brought into the clubhouse. All guests requesting alcohol must carry lawful identification. Wine may be provided by the host with a valid banquet permit and \$20.00 per (750 ml) bottle corkage fee.

Service Charge and Seattle City Sales Tax . . .

A 20% service charge and 10.25% Seattle City sales tax will be added to all food and beverage sales.

Parking . . .

Parking may be available in the secured WUC garage depending upon the timing and event activities at the WUC. Parking may be paid for by the event host or paid individually by your guests. Valet parking can be arranged at an addition fee for large weekend groups. We also have additional parking available at the Seattle Hilton Hotel—please inquire about rates.

Bar & Beverage Service

The Women's University Club of Seattle offers a licensed full service bar. Please understand any and all alcohol on our properties must be provided through us. Bringing in outside alcohol is against state law, and strictly prohibited. Please take a few minutes to thoroughly read this brief statement.

How does pricing work?

The Women's University Club is proud to offer quality bar service at very reasonable prices. Our mixed drinks begin at \$8.00 with craft and imported beers at \$5.00 and a range of red, white, sparkling and rosé wines priced from \$28 to \$98 per bottle or about \$6.00 per glass for our Club tier selections.

How to budget for Bar Service?

Our experience has shown most parties should plan on guests enjoying 1.5 drinks per hour on average costing between \$17 - \$25 per person for beverages for a typical one hour bar service. Special occasions, Fridays and weekends may account for a significant increase in consumption. The WUC offers two methods to provide beverage service for your event detailed below. Each Bar Contract includes selected spirits, w glassware, ice, napkins, set-up and breakdown of the bar.

Hosted Bar (Member Billing)

We offer two-tiers of spirits with each including an array of mixers, orange and pineapple juices and Coca-Cola brand soft-drinks.

Club ~ \$8.00

Fris Danish Vodka, Burnett's English Gin, McGregor Blended Scotch, Early Times Bourbon, Monarch White Rum

Premium ~ \$9.50

Ketel One Vodka, Tanqueray Gin, Dewar's Scotch, Maker's Mark Bourbon, Cpt. Morgan's Spiced Rum

No-Host Bar (Guests Pay Credit Card)

We offer Club Spirits, Club Wines, Premium Beers and popular sodas and mixers from \$5.00 to \$15.00 inclusive with a Bar Service Fee of \$150.00 for up to 3 hours of service

How does a sparkling wine toast work?

A sparkling wine toast is a wonderful way to engage your group and provide recognition for those special persons. Our staff will chill and pre-pour Italian Prosecco, Imported Sparkling Wine or French Champagne, depending upon your preference, in tall flutes and serve at your designated time.

Are we serious about checking identification?

Yes—Washington State law requires we only serve those 21 years and older. If your guests are under age 30 or looking, they will be asked for proof of valid ID. Guests who exhibit signs of intoxication will not be served.

I have a friend who is a vintner, can they provide the wine for free?

Unfortunately, no. Washington State Liquor Law specifies every product we serve must be procured from licensed Washington distributors. Alcohol purchase records are open for inspection. Regardless of your connections, we are unable to accept free alcohol of any kind but may be able to purchase your desired products for your occasion.
